This letter of recommendation is proudly written for Forward Paddle, Ltd. We commemorate their ongoing dedication in helping companies build team support for their prosperous futures.

Since our Team Building event with Forward Paddle, we've experienced a tighter-nitched crew. The event held on the morning of December 13<sup>th</sup>, 2011 was awesome! Our management team from each location came together for an early morning *exercise*. We were put to the challenge, to see how we worked together in different situations, obstacles and positions. In the end, we conquered as a Team who obtained new tools in problem solving skills.
